The STEM PTSA Board of Directors would like to thank all members for their support throughout this school year. A heart-felt thank you also goes to the many, many volunteers who have dedicated their time and energy to help us make a difference.

This year, STEM PTSA has established itself as new local PTSA unit. We are excited to announce that the application for recognition as 501(c)(3) has been filed with the IRS and planning is in full swing for the 2013-14 school year. STEM PTSA will continue to grow and advance its work for the benefit of the students, teachers, and parents in many areas including community building, community education, school and ASB support, advocacy, and communications between school, ASB, PTSA, and STEM families.

What are you passionate about? If you would like to help STEM PTSA to achieve its mission please let us know. You can contact the Board at info@stemptsa.org. We look forward to hearing from you!
