Students who have participated in the first Creative Writing ASP (OR any fifth grader, or fourth grader WITH teacher recommendation) will continue to develop their writing skills through this second series of interactive workshops. Building on Haiku, Limerick and Freestyle poetry, students will spend the first five weeks exploring differing styles of verse such as Diamante and Cinquain. More advanced fundamentals of short story writing such as foreshadowing and flashback, dialogue and plot twists will round out the final five weeks.

Please note: For safety purposes, one PTSA Parent is required to stay during each class. If you are able to volunteer, please indicate so on the form. If we do not have enough volunteers, we will be forced to cancel the sessions and your payment will be refunded.

Refunds: A full refund will be granted to any student who withdraws up to 2 days after the first class. Otherwise, no refunds unless initiated by PTSA.

Behavior Policy: Mark Twain PTSA organizes after school programs to offer students enrichment programs conveniently located at the school. However, for us to continue to offer these programs we must have one PTSA member stay to assist the instructor at each session. We must also insist that students respect the instructor and act in an appropriate manner, and that guardians be on time to pick up students at the end of each session. If your student has behavior issues which are disruptive to the class, or is not picked up in a timely manner, we will issue you a warning. If there is a second incident, we will be forced to terminate your student's participation in the program. A refund for remaining sessions will not be granted.
