

Mark Twain PTSA presents:

Math Club

Tuesdays, 3:05-4:05 / September 30-
December 16

(no class October 14 and November 11)

Math Club is facilitated by Twain teachers who follow the Explorations in Math program to show students how math is relevant to their lives. The goal is to make math fun! This fall, both age groups will cover **NUMBER SENSE**.

Discovering Number Sense (Grades 1-2): Students gain a better understanding of whole numbers and how to express their place value and will then learn to round those numbers to the nearest 10, 100, and even 1,000! They will work on memorizing sums of 10, doubles, and doubles plus or minus 1, and will use that knowledge to add and subtract multiple whole numbers and double-digit whole numbers. Students will also work on the concept of multiplication by using number arrays.

Exploring Number Sense (Grades 3-5): Mathematicians learn concepts of number sense such as equivalent fractions, addition of fractions, using fractions for measurement, conversion of fractions to decimals, and place value.

Math Club costs \$40 for one 10-week session. Please make checks payable to "Mark Twain PTSA". Space is limited and will be assigned on a first come, first served basis. **Classroom locations will be sent upon registration.**
*Student Withdrawal from Class: Full refund granted to any student who withdraws up to 2 days after the first class. Otherwise, no refunds.

Mark Twain Elementary After School Programs Refund and Behavior Policy

Refunds: A full refund will be granted to any student who withdraws up to 2 days after the first class. Otherwise, no refunds unless initiated by PTSA.

Behavior Policy: Mark Twain PTSA organizes after school programs to offer students enrichment programs conveniently located at the school. We insist that students respect the instructor and act in an appropriate manner, and that guardians be on time to pick up students at the end of each session.

If your student has behavior issues which are disruptive to the class, or is not picked up in a timely manner, we will issue you a warning. If there is a second incident, we will be forced to terminate your student's participation in the program. A refund for remaining sessions will not be granted.
