Learn Spanish the natural way through play, music, laughter and fun! Students will learn Spanish through TPR (Total Physical Response) using large motor skills, and audio-lingual and visual stimulation, which provide the basics for perceptual readiness and, as all parents know, is the same way they learned their primary language. Students will be encouraged to immerse themselves as they learn basic Spanish vocabulary, greetings and polite conversations, the Spanish alphabet, numbers and the calendar.

## Student Refund and Behavior Policy

**Refunds:** A full refund will be granted to any student who withdraws up to 2 days after the first class. Otherwise, no refunds unless initiated by PTSA.

**Behavior Policy:** Mark Twain PTSA organizes after school programs to offer students enrichment programs conveniently located at the school. However, for us to continue to offer these programs we must have one PTSA member stay to assist the instructor at each session. We must also insist that students respect the instructor and act in an appropriate manner, and that guardians be on time to pick up students at the end of each session.

If your student has behavior issues which are disruptive to the class, or is not picked up in a timely manner, we will issue you a warning. If there is a second incident, we will be forced to terminate your student's participation in the program. A refund for remaining sessions will not be granted.
