

## *Attention Current 6th Grade Parents*

This program is designed especially for parents of students planning to attend Rose Hill Junior High in the fall of 2009

Thursday, April 30 at 7 p.m.

**Ken Wong** will present

### **"Moving on UP to Junior High"**

Location: Rose Hill Junior High School Theater

The transition to junior high is a major change for students and parents. Adolescence and transitions create many challenges and new situations for all of us. Your student will need to learn to manage multiple teachers and new peer groups. You, the parents, will need to redefine your role as you guide your student to independent decision making.

***Don't cut the apron strings just yet.***

Come meet other incoming parents and learn how:

- To lengthen the apron strings while you guide your student through this period of rapid growth and change
- To improve communication with your student
- To maintain connections with your student's junior high school & other parents in your school community

**Ken Wong**, Director of Teen Programs for the City of Redmond is a passionate & dynamic speaker with more than 20 years of experience working with youth.

Rose Hill Junior High School & the PTSA are co-hosting this important & informative program for parents.

*Light refreshments will be served*
