

Reflections 2008-2009 Theme is "WOW...."

Hello Students and Parents,

It is time again for Reflections and this year the theme is "WOW...." This is a great opportunity for students to express their creative talents in art, music, photography, literature, film and choreography.

We are able to forward 25 pieces to Lake Washington School District to be judged against other schools in our District in January. In the past years our school had several winners at district and state level. Can we make it to nationals?

Forms and rules for area of interest are available in the Humanities or Art classrooms as well as the Office Area. Projects will be due December 5th. Please turn projects into the PTSA office with the necessary forms attached. I am looking forward to seeing the creative projects again. More information will be sent out soon. If you have any questions please contact Heidi Geiger .

Thanks,

Heidi Geiger 425-894-3767
