

# PTSA After-School Snow Sports Program

## Information and Registration Night Tuesday, October 6<sup>th</sup> 7:15 PM Lakeview Elementary Commons

It's already time to get ready for winter sports! We are again organizing after-school lessons for Lakeview skiers and snowboarders. Last year's program was a huge success for the students who participated, and we're expecting another great year. Come meet the organizers, get your questions answered, and, most importantly, get a registration form.

**The Program:** Six lessons will be taught on Wednesdays, January 6<sup>th</sup>, 2010 through February 10<sup>th</sup>. In the event of a cancellation due to weather, the program will be extended to ensure all six lessons are taught. The bus will load at Lakeview at approximately 2:15 PM and will return to Lakeview about 7:30 PM.

**The Classes:** Classes begin at 3:30 and will be 2 ½ hours long. Lessons are taught by Alpine West Ski & Snowboard School, with twenty six years of teaching experience in the greater Seattle area. Snow Sports Consulting Service will be coordinating this program for Alpine West Ski & Snowboard School.

**Eligibility:** Space will be limited, so get your registrations in as soon as possible. The program is intended for Lakeview 3<sup>rd</sup> – 6<sup>th</sup> grade students, but experienced 2<sup>nd</sup> grade skiers will also be considered.

**Equipment:** The Alpine West Ski & Snowboard School will host a Road Show in November where students can get their discounted season passes and rental equipment. Rental equipment will be available for \$119 (Skis/Boots/Poles or Snowboard/Boots). The location and date of the Road Show will be available soon. Please note that season passes and equipment may also be obtained elsewhere, but discounted ski passes must be purchased through the ski program – more information will be available on the registration form.

**Cost:** The cost of the lessons and transportation is \$275 per student.

If you have questions or would like to volunteer as a chaperone (we will need about four each week), please contact Brian Hughes at the email address below.
