

# PICTURE DAY

## FRIDAY, OCTOBER 9, 2009

### **NEW THIS YEAR:**

Lifetouch is offering a new option for ordering photos of your child. You may go to [www.mylifetouch.com](http://www.mylifetouch.com), pick your look and background and then order right online. You may do this at any time once you have your photo order form and up to 48 hours after picture day. Forms will be coming home October 5. You will need to create an account (free) and enter the Picture Day ID which is printed on the order form next to the school name. If you miss picture day, you may also order online for retake day if you wish. There is no extra charge for ordering online. Lifetouch will no longer be accepting credit card orders in person on picture day. You can still send in cash or a check with the order form if you would prefer.

**Also new this year**, every child who is photographed will receive a proof sheet, even if they did not order photos. On this proof sheet you will see a couple of different poses in a variety of styles. If you wish, you may go online and order these pictures as well. The website for ordering from the proof sheet is [www.photogifts.lifetouch.com](http://www.photogifts.lifetouch.com). You may also call or order by mail. Please note, the prices for ordering from this proof sheet are significantly higher than the regular photo packages.
