

**Focus Week Information Night:** To help families make more informed decisions before they select which Focus Weeks their students would like to sign up for, a number of the staff will present information about the Focus Week activities they are proposing on Monday evening, 10/19/2009, beginning at 7:00 PM and ending at 8:10 PM, although a few staff members may stay later to answer remaining questions, if any.

The following teachers will be in the rooms with the numbers indicated below to present Focus week proposals on the trips/projects indicated next to their names. Each of the teachers listed below will make the same presentation, more or less, three times in a row according to the schedule provided below. Hence, parents and students may get introductions to three different Focus Weeks that might interest them.

Schedule for Focus Week Information Night

7:00 to 7:20 PM	First session
7:20 to 7:25 PM	First passing period
7:25 to 7:45 PM	Second session
7:45 to 7:50 PM	Second passing period
7:50 to 8:10 PM	Third session
8:10 PM	End of Focus Information Night, (unless individual teachers choose to stay later to answer remaining questions).

List of teachers presenting Focus proposals, the room numbers where they will present and the trip/project they will present.
