As you may be aware, funding for our children's education has been cut drastically.

We need your help!

Helen Keller Elementary has been pivotal in providing educational resources for the children of our community. Our annual Auction held April 17th provides funds for:

Field Trips, Library Books, PE Equipment, Homework Club, Swimming, Outdoor Education, and many other programs that enrich the lives of our children.

Can we depend on a donation from your business to continue to provide our students these opportunities? Many of the families of Helen Keller patronize your business. Please complete the attached procurement form. Anything you could offer would be so appreciated.

Attached is a procurement form and all the information is also posted on our website www.HelenKellerPTA.org

If you have any questions please call Gayle Guthrie at 425-823-8531
