\*\*\*\*\* **Chess Club Goal** \*\*\*\*\*

Our club will help develop players' readiness for participating in scholastic chess tournaments. Our club will engage in at least 2 tournaments per school year. To achieve the expected level of performance and maintain interest in chess, your participation & commitment will help us reach this goal.

**Chess Workbook** supplements each lesson by reinforcing the player's understanding and improving their analytical skills. The workbook is completed in class during the last 15 minutes of the session.
