As your children embark on their world, you will face new parenting questions, opportunities and challenges. In this presentation, **Linda Morgan**, author of the just released book entitled, ***BEYOND SMART: Boosting Your Child's Academic, Social, and Emotional Potential*** will share her years of parenting experience & research with some straight forward advice. Topics will include:

- Coping with set-backs & failures;
- Helping the child who has test anxiety;
- Knowing & nurturing your child's talents;
- What to do when your child says, "I'm bored!"

**Recommended for parents of elementary school students**

Sponsored by the Lake Washington PTSA Council
