

Helen Keller Talent Show 2011

This is a fun tradition at Helen Keller and any student is eligible to perform. Acts must be about one minute and can be any talent your child has, with the exception of lip syncing. In the past we have seen singing, dancing, musicians, magicians, students recite poetry and/or nursery rhymes. We welcome individual and group performances. Let your kids be creative and appropriate for school audience. The talent show is wonderful entertainment and not a competitive event. All of our participants are winners!

Please keep in mind that our stage is 16x16 and elevated 2 feet above the floor.
