

Good Habits Start Young
Save at School

About Us:

Washington Federal has been making home loans and helping people save since 1917. We now have more than 160 branches in 8 western states, each one helping its local neighborhood to thrive. As one of the strongest, best-capitalized banks in the nation, we look forward to helping your student learn the value of thrift and develop healthy financial habits.

We're Back!

Save at School **Accounts**

At Washington Federal, we've been helping our neighbors save for the future since we were founded nearly a century ago. Again this year, we're ready to help teach your child how to save money with a "Save at School" account:

- **Minimum \$5 deposit to open an account.**
- **We'll add another \$5 to each brand new account!**
- **Your child can make deposits at school on designated "Bank Days."**
- **No fees, no minimum balance to earn interest.**
- **School accounts earn a healthy 0.20% Annual Percentage Yield. (This variable rate can change after the account is opened. *)**
- **Students can keep track of their deposits with register books and reusable envelopes we provide.**
- **Parents receive quarterly statements by mail.**
- **Withdrawals must be made in person at a branch.**
- **Bank with us at over 160 locations in eight western states.**

We have the financial strength you can trust to be here today and tomorrow! To get started, simply complete the account form and turn it in with the opening deposit of \$5. Then we'll send home a register book and deposit envelope. If you're a returning "Save at School" student, just bring your book and your deposit with you on the Bank Days indicated below.

Bank Days will be: Fridays at the First Grade Pod!!!

STUDENT BANKING is BACK!!!

Welcome back to Rose Hill El's Student Banking through Washington Federal Savings Bank's **Save at School** program!

For returning student depositors, here are a few reminders:

- Student Banking day is still before school on *Fridays*, beginning *September 23, 2011* at the First Grade Pod.
- Students can keep track of their deposits with the Washington Federal Savings register books.

For new student depositors, here are some important points:

- You must fill out the New Account form and attach at least \$5 to open your new Washington Federal Bank account. Washington Federal will match your \$5 opening deposit and once your account is opened, you can begin banking every Friday!
- Student's accounts earn .20% Annual Percentage Yield.

For parents of new student depositors:

- If your child would like to participate in this program, please make sure you completely fill out the **Save at School** Minor's Account form (please remember to sign and date the Parent's signature line!) and bring it in on September 23rd for the first day of banking and receive a prize!!!

For more information, please see the attached flyer.

By participating in the **Save at School** program, students have the opportunity to develop healthy financial habits that can last a lifetime. As they watch their account balances grow, students learn: responsibility, discipline, consistency, goal-setting and money management.
