Mondays, 3:15pm - 4:15pm
Nov 7th - Dec 12th, 2nd Grade Pod
(K-6th Grade)

\$76 for a 6 week session

(scholarships available upon request)

Science of Senses!

Welcome to the Mad Science After School Program where you will learn that smell, sight, taste, touch and sound are all senses of adventure. What does science taste like - Salty? Sour? Bitter? Sweet? Inflate a balloon using nothing but warm water. Make sound effects with everyday objects. Build your own Newton's Color Wheel. Learn about static electricity, lightning and conductivity. Transform two regular liquids into an oozing batch of your very own slime! All of this, and much, much more. Every class also builds awesome take-homes to share the Mad Science experience with family and friends! Our program is a unique and innovative way to continue the learning process after school and your child will have so much fun it is hard to believe that they are actually learning at the same time.

*Limited space is available in the class. If we receive more registration forms than the maximum allowed in the class by the due date, then we will use a lottery system to choose all the participants. You will be notified if your child was chosen or not chosen for the class. **One parent MUST be present at each class or it will be cancelled. Please consider volunteering by marking YES below.***

Questions? Contact Joann Smith, jewelryjoann@yahoo.com

MAD SCIENCE CLASS REGISTRATION FORM - DUE MONDAY, OCTOBER 31ST

Submit form & check (\$76*) payable to RHE PTSA via KidsMail (folders) or to office

Student's Name: _____ Grade/Teacher: _____
