# Bye Bye Birdie

## Rehearsal Chaperones

Parent co-op volunteer opportunity

We need all parents of students involved in the KaJH/Studio East production to volunteer some time to help make this event a huge success.

Rehearsal Chaperones are our biggest volunteer need. We need 1 parent at each rehearsal.

### Commitment:

- chaperone two rehearsals
- be in the auditorium when school lets out and remain until all students are excused from rehearsal
- monitor the sign-in/sign-out of students
- make sure the kids are being quiet and safe when not on stage

### Availability:

Please **circle all** the rehearsal dates for which you are available to chaperone even though you will only be asked to chaperone two rehearsals. We need everyone's availability to assemble a schedule that is fully covered.
