

MATH CLUB: DISCOVERING ALGEBRA

Tuesdays, 3:15pm - 4:15pm
Jan 24th - March 27th
\$45 for a 9 week session

Primary Club (Grades 1-2): Mrs. Swanson, Kindergarten Classroom

During the club, students will work together and participate in a variety of activities and games to learn about algebra. Activities for primary club members involve finding patterns in music, using musical instruments in the process. Students write their own verses to a common nursery rhyme. Patterns in art are also explored and created.

Intermediate Club (Grades 3-5): Mrs. Bishop, 4th Grade Classroom

During the club, students will work together and participate in a variety of activities and games to learn about algebra. Students will learn that algebra is an area of math where letters can represent numbers and figuring out patterns can help solve the value of the letter.

Limited space is available in the class. If we receive more registration forms than the maximum allowed in the class by the due date, then we will use a lottery system to choose the participants. You will be notified if your child was chosen or not chosen for the class.

MATH CLUB CLASS REGISTRATION FORM - DUE THURSDAY, JANUARY 19TH

Submit form & check (\$45*) payable to RHE PTSA via KidsMail (folders) or to office

Select Class: Primary Class (1st-2nd) _____ Intermediate Class (3rd-5th) _____

Student's Name: _____ Grade/Teacher: _____
