

Redmond Extravaganza

April 25 from 7:00 to 8:30 PM

Incoming 9th and 10th grade students and their parents are invited to come at any time during this 90 minute window for tours of the school, an activity fair and performances by some of our students. Tours will leave every five minutes from two different starting points and the events will be occurring simultaneously all over the building. Some staff will be on campus to answer questions, but this is really a time for students to get comfortable with the building and the ways in which they can become involved as highschoolers.
