Helping Kids Deal with Bullying or Harassment Presented by: Dr. Ken Lyon Director of School Support

Location: Lake Washington School District Resource Center

Date: November 28, 2012

Time: 1:00 p.m. - 2:00 p.m.

October was designated National Bullying Prevention Month. Bullying is a serious problem among children. It can happen on the playground, in the classroom and on the internet. Essentially, there's nowhere to hide from it.

Harassment, intimidation and bullying can take many forms. It includes but is not limited to slurs, rumors, "put-downs," jokes, innuendoes, demeaning comments, pranks, gestures, physical attacks, threats, or other written, oral, physical, or electronically-transmitted messages or images.

Please join us for Dr. Ken Lyon's discussion of the signs of bullying and how we can help stop it.

LINKS volunteers and parents are welcome to attend. **Please send your RSVP to nwehr@lwsd.org by **November 25**.**
