

COLLEGE & CAREER PREP 101- 8th grade PARENT NIGHT

On Tuesday **March 24**, the Inglewood Counseling Department will facilitate an important 8th grade Parent Night event titled, 'COLLEGE & CAREER PREP 101'. Throughout the month of March, Inglewood's counselors and teachers are working with students in all grade levels through Homeroom activities and Career Guidance lessons to highlight the importance of career and future planning.

Our College & Career Prep 101 will feature a panel of post-secondary school experts sharing pertinent information about educational and career opportunities for your students during high school years and beyond. The guest panel span several local programs including: DigiPen's Outreach Coordinator; Director of WaNic (Washington Network for Innovative Careers); as well as Admissions Representatives from 2-year Cascadia Community College and 4-year universities, both Independent/Private and Public/State.

Each guest will provide direct information regarding admission requirements, high school access opportunities and helpful tips on how to help your student plan for their future.

We anticipate a full evening rich with information targeting parents of current 8th Graders toward supporting your students (the 'high school graduation class of 2019') as they ready their own futures in the world of higher education and fulfilling careers.

The evening starts at 7:00pm and ends at 8:30pm.
