

# ***Attention to the Parents of 6<sup>th</sup> grade students***

This parent education class is designed specifically for parents of students planning to attend Junior High in the fall of 2009

**Thursday, May 14 6:30-8:00**

**Location: Lakeview Elementary, cafeteria**

**Ken Wong** will present "**Moving on UP to Junior High**"

The transition to junior high is a major change for students and parents. Adolescence and transitions create many challenges and new situations for all of us. Your student will need to learn to manage multiple teachers and new peer groups. You, the parents, will need to redefine your role as you guide your student to independent decision making.

**Come meet other incoming parents and learn how:**

- To guide your child through this period of rapid growth and change
- To improve communication with your child
- To maintain connections with your kid's junior high school & other parents in your school community.

**Ken Wong**, Director of Teen Programs for the City of Redmond is a passionate & dynamic speaker with more than 20 years of experience working with youth.

Lakeview Elementary and PTSA are co-hosting this important & informative program for parents.
