

8th Grade Parents Book Group 2009-2010

New this year at IJHS is the 8th Grade Book Group for parents. We'll read the same novels that your students are reading in 8th grade LA/SS classes. The format will be somewhat informal, designed to help everyone understand the important facts about each novel and discuss topics that arise during your reading.

Book Selections and Meeting Dates:

October 13 Ender's Game by Orson Scott Card
November 10 To Kill a Mockingbird by Harper Lee
January 5 Touching Spirit Bear by Ben Mikaelson

All meetings are in the library (depending on size of the group) and will last from 7:00 – 8:00 p.m. Light snacks will be served.

Copies of the books are available at local libraries or for purchase online or local book stores. IJH will not be able to supply copies of the books to parents.

If you are interested in participating, please contact Richard Snyder (IJHS Librarian) at rsnyder@lwsd.org.
