

ICS CURRICULUM NIGHT 2009 Monday, September 14th

ICS parents are invited to attend this year's curriculum night. The class schedule for the evening is fast paced. To prepare for an informative evening, please:

1. Ask your scholar for a copy of their class schedule. You will need the schedule to identify the course name and location for each of your scholar's classes. Bring the copy of the class schedule with you to curriculum night.

2. Please be on time for the start of the evening and for each class period. The material to be presented is comprehensive and the time available for each class period is very brief. Your timeliness will be appreciated by both the faculty and your fellow parent community.
