ICS Students and Parents...

Please note these end-of-semester details:

- We do not give early finals. If you miss finals, a doctor's note is required before a student is allowed to make up an exam for classes.
- Students who do not take finals receive no credit for their semester classes.
- Buses arrive at 11:50 on these three days so that students can get home, rest up, and study for the next day's final exams. No school lunch is provided on these three test days.
- Monday, January 18, 2010 is a school holiday. (good study day for students)
- **Art Day** is Friday, January 22nd. This is a fun day for our community. This is also a **full day for all students**. School lunch is served on this day. More information to come.

Please make sure your scholar gets plenty of rest and studies hard for semester finals.
