

TO ALL PARENTS:

This year the PTSA is introducing a new school event, Santa's Secret Shop, an in-school holiday store, on Saturday, Dec. 12th from 9:00-2:00 in the Commons. The event provides a way for children to choose special holiday gifts secretly for their friends and family. All gifts are moderately priced to fit every child's budget. Some of the quality gifts offered will be jewelry, coffee mugs, tools, licensed sports items, licensed gift items and personalized items for mom, dad, grandma and grandpa. In addition to the secret shopping for the children, there will be many vendors selling holiday gift items as well.

Our 6th grade students will be volunteering their time to serve as "Elf Helpers" to assist the children through Santa's Secret Shop. They will also provide food and beverages for sale with the profits going toward their Spring Camp event.

An information flyer and a Gift List Planner will be coming home with your child on Friday, Dec. 4th. We'll be excepting cash and checks made out to Rachel Carson PTSA.

If you have any questions, please contact us at carperjb@yahoo.com or csmglynych@comcast.net. We'll see you there!

Sincerely,

Julie Carper and Sybil Lynch
