Amy Lang, MA

Amy Lang, MA teaches parents how to talk to their children of any age about sex, love and relationships. She has a 17-year history as a Sexual Health Educator, a Masters in Applied Behavioral Science and *loves* to help people learn about this vital part of parenting.

Presents

Birds + Bees + YOUR Kids—It's time to start talking!

Are you wondering when you should start talking to your kids about the birds and the bees? Are you unsure of what to say and how to say it? Do you *have* to have these conversations with your kids? Come find out the answers to these and many other questions and join us for a lively and engaging lecture. It's not about one "talk" it's about continuing the conversation with your kids. Learn compelling reasons to start the conversation early and how to keep it going throughout your child's adolescence.

Don't miss this speaker and presentation!

What is Parent Education?

Parent Education Nights are sponsored by the Keller PTA and Lake Washington School District PTSA Council. Throughout the year we offer presentations, seminars and other opportunities for parents to come together and learn about specialized topics relevant to students in Kindergarten through Grade Six. Some topics apply to the general community while others support topics that Keller has decided to focus on with their students. Programs are designed not only to benefit the child, but the parent and the whole school community.

Helen Keller PTA Parent Education Goals:

- To grow healthy families and children
- To provide educational resources for parents
- To encourage parent involvement in their child’s educational experience
- To build a community of involved and interested parents

We are working on some great presentations this year and hope to see all of you at some point.

SAVE THE DATE!

All Parent Education Nights will be held at Keller in the Library or Gym (unless otherwise noted) from 7:00 - 8:30 with social time from 6:30 - 7:00.

Thursday, March 18th, 2010, Presentation Topic: TBD

Thursday, May 6th, 2010, Presentation Topic: TBD

Keep your eye on the PTA Parent Education webpage for more information about the above topics and Parent Education at Keller and in the community.
