**Back to School Back to Safety!**

**Here we go.....Back to School time!** As our children are back to school there is a whole host of new considerations that will begin now and continue into the school year. This specialty parent workshop covers:

- Going to and from school safely
- Setting up a safe arrival and pick up plan
- How to talk about safety with your kids
- Building healthy boundaries for your kids
- Reviewing you family safety plan (is it up to date?)
- Tween safety for those independent 8-12 year olds!
- Home alone (Are they ready? Are you?)
- Childcare selection
- Playdates, Sleepovers ....
- Red flags to look out for and helping you and your child avoid risky situations

Don't miss this speaker and presentation!  
Coffee and cookies will be provided by the 6th  
Grade Fundraising Committee! Support 6th Grade!

This community event is  
sponsored by Helen Keller PTA.  
Bring a friend, childcare provider, neighbor...
