# RHE Yearbook Committee wants your photos

Sharing your photos with the Yearbook Committee has never been easier. Our new yearbook printer, Herff Jones, has provided Rose Hill Elementary our very own online repository.

Only the Yearbook Committee Chair has access to the site so you know your children's photos are safe. Simply go to www.hjeshare.com and enter our school code: 1031406. You'll be asked to provide some basic information about you and then you can easily browse for, select and upload pictures from your PC or Mac.

Herff Jones also has a free iPhone app so you can upload photos to the eShare site directly from your iPhone. Search the App Store for Herff Jones and choose the free HJ eShare app.

We'd like to get a good variety of photos from all grades and classrooms as well as special events. If you've got pictures from field trips, the school play, the Walk-a-Thon, Skate Night, Halloween, etc. please upload them for consideration as soon as possible. We're starting to plan the layout for the book (available for purchase this spring) so hurry and share your photos with us!

(After reviewing all photo submissions, the Yearbook Committee will determine the final selections for publication. Submitted photos are not guaranteed to be included in the yearbook Please contact Laurie Boyd for more information or questions – laurie91@gmail.com.)
