

LINKS Volunteer Training
March 23, 6:30 p.m.
Lake Washington School District Resource Center, Hughes Room

Guest Speaker:
Ken Wong, City of Redmond Teen Program Director

Ken Wong has 20 plus years experience mentoring youth and has a wealth of information to share with you.

Learn how to make your mentoring and tutoring more interactive and productive.

Students today deal with social pressures, including bullying and stereotyping,
that can affect their ability to concentrate on school work.

Ken will share techniques and “tools” to help you support students
and make the most of the time you spend tutoring or mentoring.

This training session is open to parents and volunteers working with students of all ages.

For more information, contact Nanci Wehr at nwehr@lwsd.org or 425-936-1410.
