Parents of 7th Grade Students:

On Tuesday, February 10, 2009, you are invited to attend our ICS Mid-Year 7th Grade Parent Meeting.

This is a meeting for just the parents of current 7th grade students. The agenda includes these topics:

- A 7th Grade Parent's Perspective
- Secondary v. Elementary School
- The Self-Reliant Student
- Q and A

This is an opportunity to review your academic year to date, get information, and ask questions as well as talk specifically and informally with other parents who have students in the current 7th grade class. In the past, our parents have found this meeting to be informative and very helpful as they navigate through the first few semesters here at ICS.

Date: Feb. 10, 2009

Time: 6:00p.m. to 7:00p.m. (the hour prior to the monthly ICS PTSA meeting)

Place: The ICS Gym

Remember: This meeting is for parents only; no students or younger siblings on this night please.

Hope to see you there.
